RAMPATHON 2024

April–July

The Master Builders Association is accepting applications for its annual Rampathon® building project. Members of the Master Builders Association of King and Snohomish Counties will build **free access ramps for homeowners in need within King and Snohomish Counties.**

Rampathon applications will close Friday, May 3rd, 2024.

A digital application is available at mbaks.com/ramp.

Please note:

- **Include 3-4 pictures of the location where the ramp is to be constructed. Applications without pictures will NOT be considered. Photos should be taken within the last year, NO Google Maps Photos.**
- Applications indicate a desire to have a ramp added to the external entrance to the home and the understanding applicant will accept ramp if selected. Cancelling at the last minute denies someone else the opportunity to receive a ramp.
- Potential recipients, if not minors or severely disabled, **must** be aware of application—**NO SURPRISE RAMPS.**
- Rampathon only takes place in King and Snohomish counties. If you would like additional resources relating to the county you are in, please email stewardship@mbaks.com or call 425.460.8232.
