

# RAMPATHON 2023

April–July

The Master Builders Association is accepting applications for its annual Rampathon® building project. Members of the Master Builders Association of King and Snohomish Counties will build **free access ramps for homeowners in need within King and Snohomish Counties.**

Rampathon applications will close Friday, June 30th, 2023.

A digital application is available at [rampathon.org](http://rampathon.org).

## Please note:

- **Include pictures of the location where the ramp is to be constructed. Applications without pictures will NOT be considered. Photos should be taken within the last year, NO Google Maps Photos.**
- Applications indicate a desire to have a ramp added to the external entrance to the home and the understanding applicant will accept ramp if selected. Cancelling at the last minute denies someone else the opportunity to receive a ramp.
- Potential recipients, if not minors or severely disabled, must be aware of application –**NO SURPRISE RAMPS**
- Rampathon only takes place in King and Snohomish counties. If you would like additional resources relating to the county you are in, please email [stewardship@mbaks.com](mailto:stewardship@mbaks.com) or call 425-460-8232.
