

## Ready to join the largest local residential homebuilders association in the nation?

As a member, you get extraordinary value by enrolling in the MBA Health Insurance Trust or the GRIP L&I Retro program; engaging in housing advocacy; participating in unlimited networking and referral opportunities; and taking advantage of all the other benefits that help build and support your business.

### MBA Health Trust

As one of Regence BlueShield's largest customers, members typically save 10–15% on health and dental insurance.

"We now pay 10% less for our monthly health insurance premiums."

**Danielle Walsh**, *Terrene Ventures*

"The refund that our small company receives from GRIP on an annual basis more than pays for the cost of our membership. And we are able to take advantage of other great benefits as well!"
