HIRING A REMODELER?

DO YOUR HOMEWORK

The remodelers in this guide can help you make your home a dream home. But it's important to do your own due diligence before hiring. Here are some steps you can take to make sure that the company you hire is reliable, trustworthy, and has a track record of success.*

- Verify they have an active license.
- Make sure they're bonded and insured for damages that may occur.
- If they have employees, check for an active workers' compensation account.
- Find out if they maintain a safe job site or have corrected any violations.
- Review a contractor's license history for previous lawsuits or license violations.
- Get references and stay alert for scams.
- Get a written contract, and make sure you understand the terms.

Most of this information can be found at the Washington State Department of Labor & Industries at secure.lni.wa.gov/verify/.

All businesses in this guide are members of the Remodelers Council of the Master Builders Association of King and Snohomish Counties and have agreed to abide by MBAKS's Code of Ethics.

*As of September 3, 2025 each company in this directory had an active contractor's license according to the Washington State Dept. of Labor & Industries.

The companies in this directory are listed by their office location; service areas may be broader. We encourage you to visit their website or contact them to ensure they serve your area and are the best fit for your needs.
